Königsbrücker Straße 48, 01099 Dresden · +49 30 23125 139 · oliver.grant@example.com

PROFILE

Full stack developer with seven years of experience in PHP and JavaScript. I build web applications end to end: Laravel APIs, Vue front ends, MySQL databases and the deployment around them.

EXPERIENCE

Full Stack Developer - Elbflorenz Webservice GmbH, Dresden 03/2022 - present

- Booking platform for event venues: Laravel 10 API, Vue 3 front end, MySQL
- Payment integration with Stripe and PayPal; PDF invoices
- CI/CD with GitHub Actions and Docker; deployments on Hetzner Cloud

PHP Developer - Bastei Tourismus GmbH, Pirna 05/2019 - 02/2022

- Maintained the regional tourism portal and its hotel search (PHP 7, Symfony)
- New event calendar with jQuery, later rewritten in Vue 2

EDUCATION

BSc Computer Science, University of Edinburgh, 2015 - 2019

SKILLS

PHP, Laravel, Symfony, JavaScript, TypeScript, Vue, MySQL, Redis, Docker, GitHub Actions, PHPUnit, Pest

LANGUAGES

English (native) · German (B2)
