Priya Raman

Data Analyst · Hamburg, Germany · +49 160 99 41 27 70 · priya.raman.hh@gmail.com · linkedin.com/in/priyaraman-hh

Profile

Analyst with a background in physical chemistry. After seven years of lab work and more spreadsheets than I care to admit, I moved into analytics in 2024. I like clean data models, honest dashboards and explaining numbers to people who do not want to look at numbers.

Experience

Data Analyst Mar 2024 – present

Hanse Retail Analytics GmbH, Hamburg

- Build and maintain sales and returns dashboards in Power BI for 120 stores of a drugstore chain
- Model data in dbt on PostgreSQL and BigQuery; wrote the first tests and documentation for the mart layer
- Set up and evaluated A/B tests for the loyalty app (Python, statsmodels); results presented to the category managers
- Churn score with scikit-learn (logistic regression, gradient boosting) used by the CRM team for a quarterly mailing

Laboratory Chemist Apr 2018 – Dec 2023

Nordchem Analytik GmbH, Stade

- Trace analysis of water and soil samples (ICP-MS, HPLC) under DIN EN ISO/IEC 17025
- Replaced the Excel-based evaluation of measurement series by Python scripts (pandas, NumPy), cutting reporting time per batch from two days to two hours
- Statistical process control and method validation; trained two lab technicians

Research Assistant Oct 2016 – Mar 2018

University of Hamburg, Institute of Physical Chemistry

- Spectroscopy experiments and data evaluation for a DFG project; co-author of one paper
- Supervised lab courses for second-year students

Education

M.Sc. Chemistry 2014 – 2016

University of Hamburg – thesis on kinetic modelling of catalytic reactions, grade 1.3

B.Sc. Chemistry 2010 – 2013

Anna University, Chennai, India

Data Analytics Bootcamp (part-time, 6 months) 2023

neuefische, remote – final project: demand forecast for a bike-sharing provider

Skills

Programming & analysis

Python (pandas, NumPy, statsmodels, scikit-learn), SQL (PostgreSQL, BigQuery), Jupyter, Git

BI & modelling

Languages

English

fluent (working language since 2010)

German

B2 (Goethe certificate 2022)

Tamil

native

Power BI (DAX), dbt, dimensional modelling, Excel (advanced)

Statistics
hypothesis testing, regression, A/B testing, design of experiments

Domain
retail KPIs, quality management (ISO 17025), analytical chemistry

Hindi
conversational

Other

Volunteer data support for a Hamburg food bank (2024–). Hobbies: long-distance cycling, pottery.
